Invitation

Department of Pathology, Tata Memorial Hospital welcomes you to a highly educational case based '**Master class on Bone, Soft Tissue and Paediatric Oncopathology**' to be held from 23rd to 25th August 2024. This course is aimed towards resident pathologists and consultants. It intends to encompass case based morphologic spectrum of tumours occurring in bones, soft tissues and paediatric age group.

We plan to conduct this course in an interesting format. All selected case modules would be digitally presented during the meeting with focus on specific caveats and diagnostic nuances along with their clinical implications.

Please save the dates in your calendar for this unique opportunity to learn and enroll to attain a better grasp on this challenging branch of oncopathology.
