TOPIC

“PCR technique”

A PALPABLE EXPERIENCE OF PCR

Dear All,

Basavatarakam Indo-American Cancer Hospital and research institute, Hyderabad with great delight extend an invitation under aegis of SHTM- Telangana Chapter for a workshop on PCR. The most frequently used molecular technique in a molecular lab. This workshop is designed to elevate knowledge, experience and understand science of amplification. Through this workshop and hands on training attendees will gain valuable insights by enjoying the invisible nucleic acids applications in real time practice. The interactive lectures will help in gaining knowledge about different types of PCR. Such as, conventional pcr, RT-PCR (qualitative & quantitative) and next generation real time pcr and its applications in oncology and various other fields.

**Venue: Auditorium, Library Block 1, 5th floor,
Basavatarakam Indo American Cancer Hospital
& Research Institute, Hyderabad**

Date: July 12th 2024

Time : 8:30am

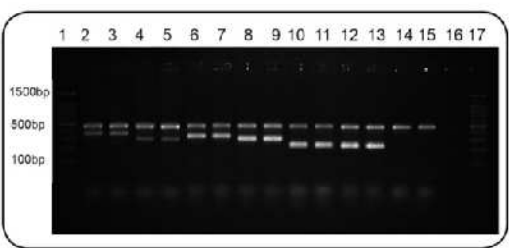

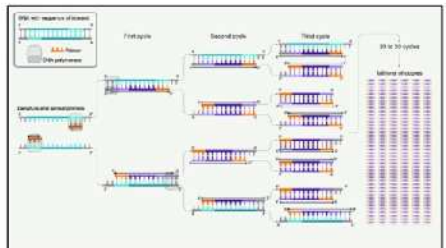

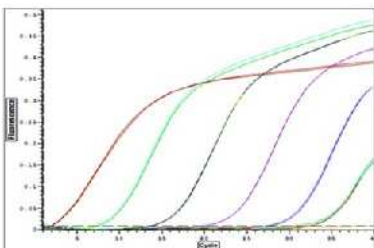

Last date for registration : July 05th 2024

Workshop Registration limited to 30 Delegates

MD/DNB Path (Students & Consultants)

Organizing Secretary for Workshop:

Dr Faiq Ahmed | Dr Manasi Mundada | Dr Lavanya Nambaru

Annual conference July 13th & 14th 2024

Organising Secretary: Dr. Anurag Gupta

Organising committee: Dr. Gayathri K Dr. Tara Roshini Paul Dr. R S Tapadia
Dr. Manasi Dr. Faiq Ahmed Dr. Sampath

Venue: Hotel Abode, Saifabad, Lakdi-ka-pul, Hyderabad (Next to Lakdi-ka-pul Metro station)

The daylong conference will highlight the following aspects:

Invited Talks on

- * Basics of Molecular hematopathology
- * Molecular diagnostics in Hematopathology practise
- * Role of molecular techniques in non-neoplastic hematopathology and transfusion medicine

Panel Discussions On

Acute myeloid leukaemia - role of Flowcytometry and
Molecular diagnostics in management of non-APL AMLs

Oppurtunities for Delegates :

Poster and Paper presentations in the fields of Hematopathology,
Cytogenetics, molecular diagnostics, Transfusion medicine and
Clinical Haematology.

Post Graduate Quiz :

Conference Faculty :

National Speakers

Dr. Mayur Parihar, Consultant and Head Cytogenetics,
Tata Medical Centre, Kolkata

Dr. Anil Tarigopula, Senior Consultant,
Molecular diagnostic laboratory, Coimbatore

Twin Cities Speakers

Dr. Shantiveer Uppin, NIMS
Dr. Shanti, NIMS
Dr. Manasi, Indo-American
Dr. Meghna, KIMS Hospital
Dr. Anurag Gupta, Ampath
Dr. Sampath, Star Hospitals

Dr. Rohit Tapadia, Tapadia diagnostics
Dr. K. Gayathri, Tapadia diagnostics
Dr. Chandak, CCMB
Dr. Faiq, Indo American
Dr Varshini, Rainbow Hospital

Dr. Swarna Mandava, Tapadia Diagnostics
Dr. Sachin, Ampath
Dr. Ganesh, Yashoda Hospital
Dr. Sirisha Rani
Dr. Krishna, AIG

Programme Schedule

DAY 1: 13 JULY 2024

TOPICS		Speaker
1300 - 1400 hrs	Registration	
1400 - 1410 hrs	Opening ceremony	
Session 1: Introduction to Molecular Diagnostics in Clinical practise		
1410 - 1440 hrs	Planning procedures for specialized sample collection for laboratory diagnosis of hematolymphoid neoplasm - Preamble to molecular technologies	Dr. Meghna; KIMS Hospital
1440 - 1455	Introduction to Cytogenetic techniques in routine diagnostic hematopathology -Karyotyping and FISH	Dr. Swarna Mandava; Tapadia Diagnostics
1455 - 1515 hrs	Introduction to Molecular techniques in routine diagnostic hematopathology -PCR, Sanger, NGS	Dr. Usha Dutta; CDFD
1515 - 1535 hrs	RNA- recent advances in hematological disorders	Dr. Surya Balakrishnan; Apollo Hospitals
1535 - 1540	Short Quiz	Dr. Rohit tapadia; Tapadia diagnostics
Session 2: Oration		
1540 - 1610 hrs	Updates in Cytogenetic and Molecular Genetics of Acute lymphoblastic leukemia	Dr. Mayur Panihar, TMC, Kolkata
1610 - 1625 hrs	Tea Break	
1625 - 1635 hrs	Corporate session	TBD
Session 3: Myeloid Neoplasms		
1635 - 1700 hrs	Myeloproliferative neoplasm - where do we stand as per WHO 2022? Diagnostic approach to non CML Myeloproliferative neoplasms.	Dr. Anurag Gupta
1700 - 1725 hrs	Molecular diagnosis and management of Chronic myeloid Leukemia - Laboratory requirements and standardization for IS scale reporting	Dr. Faiq, Indo American
1725 - 1745 hrs	Molecular classification and molecular diagnostic approach in Myelodysplastic syndromes	Dr. Mayur Panihar, TMC, Kolkata
1745 - 1815 hrs	Panel Discussion - Acute myeloid leukemia - role of Flowcytometry and molecular diagnostics in management of non APL AMLs	Dr. Mayur Panihar, Dr. Varshini, Dr. Faiq Ahmed, Dr. Anil Tarigopula; Moderator: Dr. Ganesh Yashoda
1815 - 1835 hrs	Role of Next generation sequencing in Acute myeloid leukemia diagnosis and management	Dr. Anil Tarigopula
1835 - 1845 hrs	Short Quiz	Dr. Rohit tapadia; Tapadia diagnostics
1845 - 1930 hrs	General body meeting	
2000 onwards	Dinner and socializing	

Society of Hematology & Transfusion Medicine Telangana State Chapter

Annual conference July 13th & 14th 2024

Organising Secretary: Dr. Anurag Gupta

Organising Committee: Dr. Gayathri K, Dr. Tara Roshini Paul, Dr. R S Tapadia
Dr. Manasi, Dr. Faiq Ahmed, Dr. Sampath

Day 2: 14 JULY 2024

Session 4: Transfusion medicine & Non neoplastic molecular heamtology

0930 - 0950 hrs	Role of Pathologist in Emergency hematology	Dr. Shantiveer Uppin
0950 - 1010 hrs	Molecular diagnostic testing for inherited thrombophilia	Dr. Sampath
1010 - 1035 hrs	Limitations of HPLC - Role for molecular technologies in hemoglobinopathy diagnosis	Dr. Gayathri
1035 - 1100 hrs	Molecular Pathology of Thalassemias	Dr. Chandak, CCMB
1100 - 1110 hrs	Corporate session	TBD
1110 - 1135 hrs	Nucleic acid amplification testing - Bridging the gaps In blood safety	Dr. Shanthi, NIMS
1135 - 1140 hrs	Short Quiz	Dr. Rohit tapadia; Tapadia diagnostics
1140 - 1155 hrs	Tea Break	

Session 5: Lymphoid Neoplasms

1155 - 1220 hrs	Flowcytometric approach to diagnosis of B lymphoblastic leukemia	Dr. Manasi
1220 - 1240 hrs	Clinicians perspective - What to expect from a molecular pathologist in management of B - ALLs	Dr. Sirisha Rani
1240 - 1305 hrs	Diagnostic approach to Multiple myeloma - Beyond morphology	Dr. Anil Tarigopula
1305 - 1310 hrs	Short Quiz	Dr. Rohit tapadia; Tapadia diagnostics
1310 - 1410 hrs	Lunch	

Session 6: Presentations & PG Quiz

1410 - 1500 hrs	Interesting case presentations	Dr. Krishna AIG
1500 - 1550 hrs	Paper presentations	Dr. Md Shareef Ahmed, Ampath
1550 - 1650 hrs	PG Quiz	TBD
1650 - 1710 hrs	Prize distribution	
1710 hrs onwards	valedictory function, certificate distribution and Closing	

Poster sessions

Posters in the field of hematopathology, clinical hematology, cytogenetics, Molecular genetics and transfusion medicine are welcome from participants. The posters need to be displayed in the display are on 13th July 2024 by 3 pm.

Kindly send the abstracts of the posters to organizing committee by 20th June 2024. Six best posters from the submitted abstract would be selected for short paper presentation by the scientific committee.

Interesting case presentations

Interesting cases in the field of hematopathology, clinical hematology, cytogenetics, Molecular genetics and transfusion medicine are welcome from participants. The cases may be sent to the scientific committee by 20 June 2024

Important Information for Quiz Participats:

FIRST ANNOUNCEMENT

Sub: PG Hematology Quiz for ISHTM - Screening round

Attention PG students (MD/ DNB General Medicine, Transfusion Medicine, Pathology, Pediatrics)

Those interested in participating in the Screening Round of the Hematology PG Quiz, please form teams of 3 students each (preferably from different departments, same Institute) and submit names by email pghematquiz24ts@gmail.com by 18/6/24, along with a bonafide student certificate.

The details are as follows. Students from any medical college/ Institute in Telangana are welcome to participate.

Registration for Screening round is free. Google form for registration will be ready shortly.

Important Dates:

1) **Written Screening tests - 22/6/24 (Saturday), NIMS Learning Centre, 2.30 pm onwards.**

The top 4 teams will be selected for the State Level Round.

2) **State Level Round-** on 14/7/24 during the SHTM-TS Conference. Details will be announced later

3) **Zonal Round** in Mumbai, Maharashtra
