

“BreastPath Connect 2025: Advancing Insights in Breast Pathology”

Conference and Workshop on Breast Pathology

Date: 12-13th May 2025

Department of Pathology, King George's Medical University

12th May 2025: Conference and 13th May 2025: Post-conference Workshop

The **Department of Pathology, King George Medical University Lucknow**, is delighted to invite you to “**BreastPath Connect 2025**” scheduled on **12th and 13th May 2025**.

This **two-day event** promises an enriching experience, featuring a **one-day conference (12th May)** showcasing advancement and challenges in breast pathology followed by a **post conference workshop (13th May)** designed to enhance practical expertise.

This conference has a distinguished lineup of esteemed speakers who are renowned experts in the field. These thought leaders with years of experience and groundbreaking contributions will share their valuable insights into diagnostic challenges, prognostic innovation and clinical impact in breast pathology.

We look forward to welcoming you to this academic feast and celebrating the pursuit of excellence in breast pathology!
