

HOMI BHABHA CANCER HOSPITAL & RESEARCH CENTRE
Aganampudi, Visakhapatnam, Andhra Pradesh

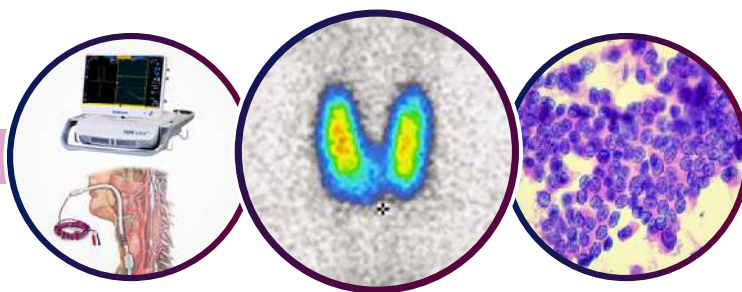

“3rd Homi Bhabha Annual Cancer Congress”

THYROCON 2025

Theme **THYROID CANCER: BASICS TO ADVANCES**

JUNE 27 - 29, 2025

- 27.06.2025 : Pre-Conference Live Surgical Workshop
- 28.06.2025 : Thyrocon Conference
- 29.06.2025 : Post-Conference Pathology Workshop

N K Rao Auditorium

Homi Bhabha Cancer Hospital & Research Centre, Aganampudi, Visakhapatnam, Andhra Pradesh

APMC Credit hours as applicable

Dear Colleagues,

On behalf of the organizing committee, it is our pleasure to invite General Surgery / ENT / Surgical oncology / Head & Neck Surgery, Pathology/Oncopathology trainees/practicing pathologists & Young practitioners in these fields to attend our 3rd HBCH&RC Annual Cancer Congress with the Theme – “Thyroid cancer – Basics to Advances”

We welcome you to this scientific session and look forward to your participation.

 **Patron** **Dr Umesh Mahantshetty** Director, HBCH&RC, Visakhapatnam

Scientific Committee

Head & Neck

Organizing Chairperson

Dr K Sasi Krishna

Assoc. prof, Head & Neck Oncology,
HBCH&RC, Visakhapatnam

Organizing Secretary

Dr N Nageswara Rao

Asst.Prof, Head & Neck Oncology,
HBCH&RC, Visakhapatnam

Invited Speakers

Dr. Gouri Pantvaidya

Prof & Head
Dept of Head & Neck Surgery
TMH, Mumbai

Dr. Archi Aggarwal

Professor,
Dept of Nuclear Medicine
TMH, Mumbai

Dr. KrishnaKumar T

Head & Professor
Head & Neck Surgery/Oncology
Amrita Institute of Medical Sciences
Kochi , Kerala

Dr. Prasanth Penumadu

Medical director and Head
Dept. of Surgical oncology
SVICCAR, Tirupati

Dr. Parthiban Velayutham

Clinical Neurophysiologist
TMH, Mumbai

Pathology

Organizing Chairperson

Dr Sonali Susmita Nayak

Professor, Oncopathology
HBCH&RC, Visakhapatnam

Organizing Secretary

Dr Anupurva Dutta

Assoc. Prof., Oncopathology
HBCH&RC, Visakhapatnam

Invited Speakers

Dr. Neha Mittal

Professor, Pathology Department
TMH, Mumbai

Dr. Ketan Ingle

Consultant, Pathologist
Head & Neck Cancer Institute
of India

Faculty (Virtual)

Dr. Anita Borges

Consultant Histopathologist
Director, Centre for
Oncopathology

Dr. R F Chinoy

HOD & Consultant Histopathologist
Head & Neck Cancer Institute of
India

Faculty

- Dr. Neeharika A
- Dr. Rohit Vadgaonkar
- Dr. Venkatesh K
- Dr. K.B. Sri Charan
- Dr Ganga Bhavani
- Dr. Akshay Rafaliya
- Dr. Suman Das
- Dr. Pradeep V
- Dr. Ramavath Dev
- Dr. Snigdha Elaprolu
- Dr. Abhilash Konkimalla
- Dr. Pavithra S
- Dr. Smriti Panda
- Dr. Nithyanand C
- Dr. Karthik Chandra V
- Dr. Kranthi Kumar Gangiti
- Dr. Natarajan R
- Dr. Keerthana M

Final Schedule soon....

Pre-Conference Live Surgical Workshop

Timing (s)	Topic
08:30 - 09:00	Registration
09:00 - 09:15	Welcome address & Inauguration
09:15 - 09:45	Surgical Anatomy of Thyroid gland and Parathyroid gland
09:45 - 10:15	Surgical Anatomy of RLN
10:15 - 10:30	Basics of IONM Monitoring
10:30 - 10:45	Coffee Break
10:45 - 13:00	Hemithyroidectomy/Total thyroidectomy (IONM guided) - Demonstration
	Anesthetic implications in nerve monitoring
13:00 - 14:00	Lunch
14:00 - 15:00	Central Neck Clearance (IONM guided)
15:00 - 15:15	Video demonstration of Sternotomy/mediastinal/VATS Nodal clearance
15:15 - 15:30	Video demonstration of Retro-auricular Robotic thyroidectomy
15:30 - 15:45	Video demonstration of Parathyroid Autofluorescence
15:45 - 16:00	Video demonstration of Trans-Axillary Thyroidectomy
16:00 - 16:30	Video demonstration of Recurrent nerve CABLE GRAFT/Ansa/E-E ANASTOMOSIS & Laser Kashima
16:30 - 17:00	Vote of thanks & high tea

**APMC Credit hours as
applicable for Day 1 & Day 2**

Thyrocon Conference

Timing (s)	Topic
08:30 - 09:00	Registration
09:00 - 09:10	Welcome address
Session 1 : Evaluation of Thyroid Nodule	
09:10 - 09:30	Evaluation of Solitary Thyroid nodule
09:30 - 09:45	Ultrasonography in Thyroid cancers
09:45 - 10:00	Thyroid cytopathology and recent updates
10:00 - 10:15	Role of molecular testing in Bethesda Cat III/IV (Indian scenario)
10:15 - 10:30	Coffee break
Session 2 : Surgical Management of Differentiated Thyroid Cancer (DTC)	
10:30 - 11:10	Micropapillary ca thyroid...Observation vs Surgery vs RFA in Indian Scenario
11:10 - 11:30	Lobectomy vs Total thyroidectomy
11:30 - 11:45	Indications for prophylactic central neck dissection
11:45 - 12:00	Management of locally advanced DTC
Session 3 : Adjuvant Treatment in DTC	
12:00 - 12:15	Management of thyroid cancer with retrosternal extension
12:15 - 12:30	Interpretation of diagnostic scan, Low vs High dose RAI
12:30 - 12:45	TENIS & Management
12:45 - 13:30	Tumour board on thyroid cancer
13:30 - 14:30	Lunch Break
Session 4 : Role of Radiation & Chemotherapy in Thyroid Cancers	
14:30 - 14:45	Role of Radiotherapy in Thyroid cancers
14:45 - 15:00	Current role of TKIs in DTC - Neoadjuvant and adjuvant setting
15:00 - 15:15	Current treatment options in Anaplastic thyroid cancer
15:15 - 16:00	Panel discussion on complex thyroid cancers
16:00 - 16:15	Coffee Break
Session 5 : Miscellaneous	
16:15 - 16:30	Management of Hypocalcemia/Hypoparathyroidism
16:30 - 16:45	Management of Medullary carcinoma thyroid
16:45 - 17:00	Management of surgical complications (except hypocalcemia)
17:00 - 17:15	Follow up of Differentiated Thyroid cancers
17:15	Vote Of Thanks

Post-Conference Pathology Workshop

Timing (s)	Topic
08:30 - 09:00	Registration & Welcome Address
09:00 - 09:30	Updates on "The Bethesda System for Reporting Thyroid Cytopathology, 2023"
09:30 - 10:30	Cytology case discussions (Diagnostic challenges and dilemma)
10:30 - 11:00	Thyroid imaging: Radiologist's perspective
11:00 - 11:15	Coffee break
11:15 - 11:45	Classification of thyroid tumors: WHO 5 th edition updates
11:45 - 12:15	Evolution of follicular patterned neoplasms: Overcoming Diagnostic challenges
12:15 - 13:00	Case based discussion : Differentiated Thyroid carcinoma
13:00 - 14:00	Lunch Break
14:00 - 14:30	Case based discussion : High grade thyroid carcinoma
14:30 - 15:30	Evolving molecular spectrum of thyroid neoplasms: Recent updates and recommendations on biomarker testing
15:30 - 15:45	Coffee Break
15:45 - 16:15	Medullary thyroid carcinoma: Recent updates with case discussions
16:15 - 17:15	Interesting and rare cases
17:15	Vote of Thanks

**APMC Credit hours as
applicable for Day 3**

Target Audience

- General Surgery / ENT / Surgical oncology / Head & Neck Surgery & Young practitioners in these fields
- Pathology/Oncopathology trainees & practicing pathologists

Registration Details

Registration Fees

Category	Fees (Includes Taxes)	
	D1 & D2	D3
Regular (24.05.2025 - 14.06.25)	INR 2000	INR 1000
Spot (15.06.2025 onwards)	INR 3000	INR 2000

Registration Process

1. Payment

1. Scan & pay
2. Take screenshot of payment
3. Click Register & Upload the screenshot in applicable registration

Name: HOMI BHABHA CANCER HOSPITAL AND RESEARCH CENTRE

UPI/VPA ID: HOMIBHABHACANCERHOSPITALANDRESEARCHCENTRE@CICI

2. Registration

A. Registration for Day 1 + Day 2

B. Registration for Day 3

Accommodation

- Limited Accommodations are available inside the campus
- Rs 500 Per Person, Per Day/Per night (including GST)
- Twin Sharing basis
- Non-AC rooms
- Will be allotted on **First-Come, First-Serve basis**

Accommodation Request process (Click to check accommodation availability)

1. Payment (pay to the above displayed QR Code displayed in Registration/payment section)
2. Submit your details here
