An Immersive Day of Diagnostic Excellence

GutQuest '26 convenes leading pathologists and delegates for an in-depth exploration of gastrointestinal and hepatopancreatobiliary pathology. The program includes updates from the 6th edition of the WHO Classification of Gastrointestinal Tumors, along with a combined focus on routine and challenging cases encountered in daily sign-out. Emphasis is also placed on the clinical implications of accurate diagnosis, underscoring its impact on patient care.

Beyond the Lectures

Poster Oral Presentations

Selected posters by post graduates shall be presented in a rapid fire format, which will be evaluated by a distinguished panel.

Submit E-Poster (Case series / report on any pathology topic) in JPEG format (landscape, 3:2 aspect ratio) to astermimspath@gmail.com by 15th May. Only the presenting author's name should appear on the poster.

Postgraduate Quiz

A stimulating challenge curated for postgraduate pathology trainees, testing diagnostic acumen across the full spectrum of pathology.

Each institution may register one team comprising three postgraduate participants. Registration closes on 31 May.
