Ultrasound | Fetal Care | Genetics | Perinatal Pathology

ESSENTIALS OF PERINATAL PATHOLOGY IN CLINICAL PRACTICE

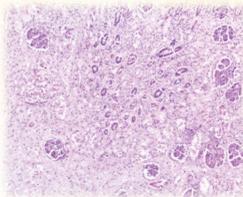

Hybrid CME Program | On-site & Online Participation

 21st February 2026, Saturday |  9.00 a.m. to 5.00 p.m.

 Mediscan Systems, Dr Hemant Shah library, 197, Dr Natesan Rd,
Kailasapuram, Mylapore, Chennai - 600 004.

Objective & Scope

Perinatal pathology is an essential component of fetal medicine and genetic counselling for providing answers whenever there is fetal abnormality or pregnancy loss. It is indispensable for predicting recurrence risk in future pregnancies and guidance for management of subsequent pregnancies.

Target audience

This CME is open to pathologists, fetal medicine specialists, obstetricians, sonologists and geneticists.

Registration Fee
Rs.3000/- (Delegate)
Rs.2000/- (PG Student)
