Cycle-16 Year 2027

Now Raise Your Quality Standards in a **Most Cost Effective Manner**

Season's Greetings

As the festive season brings fresh hope, RML Quality Assurance Program extends its warmest wishes to every laboratory that has been part of our journey. Over 16 cycles, your trust has helped us strengthen the accuracy and reliability of laboratory testing. As we enter Cycle 16 in 2027, we remain committed to continuous quality improvement and to supporting results every patient can depend on. Together, let's raise the standards of laboratory excellence.
