

1st Announcement

8th South-Asian Academy of Cytopathology & Histopathology conference (SACH 2027)

Sharing Knowledge, Advancing Science

Venue: JEN Malé by Shangri-La; Malé, Maldives

Date: 27th – 29th April 2027

Welcome Address – SACH 2027, Malé, Maldives

Distinguished colleagues, esteemed guests, and dear friends,

On behalf of the organizing committee, it is my great honour and privilege to welcome you all to the **8th South-Asian Academy of Cytopathology & Histopathology (SACH 2027)** conference, being held here at the beautiful **JEN Malé by Shangri-La, Maldives**, from **27th to 29th April 2027**.

We gather in this serene island nation not only to share knowledge and expertise but also to celebrate the spirit of collaboration that defines our Academy. Over the next three days, we will engage in thought-provoking discussions, cutting-edge presentations, and meaningful exchanges that will strengthen our collective mission of advancing cytopathology and histopathology across South Asia and beyond.

This conference is more than an academic meeting—it is a platform for building bridges between disciplines, institutions, and nations. Together, we reaffirm our commitment to innovation, excellence, and patient-centred care.

May this conference inspire new ideas, foster enduring partnerships, and leave us enriched both professionally and personally.

Let us embrace the warmth of Malé, the hospitality of the Maldives, and the camaraderie of our Academy as we embark on this journey of learning and discovery.

Welcome to **SACH 2027**

Organizing Committee SACH 2027

Speakers from SAARC countries

TBA soon

**REGISTRATION
OPENING SOON**

The Maldives offers breathtaking natural wonders and unique experiences, from swimming with whale sharks in South Ari Atoll to witnessing the magical “Sea of Stars” at Vaadhoo Island. It’s a paradise of turquoise lagoons, coral reefs, and white-sand beaches perfect for diving, snorkeling, and relaxation.

Top Attractions in the Maldives

- **Hanifaru Bay** UNESCO Biosphere Reserve in Baa Atoll, famous for mass gatherings of manta rays (up to 200 at once)
- **South Ari Atoll Whale Shark Point** One of the world’s most reliable places to swim with whale sharks year-round
- **Vaadhoo Island Bioluminescent Beach** Known as the “Sea of Stars,” where bioluminescent plankton glow at night
- **Maldives Beaches** Sugar-white sands and turquoise waters, with most resorts offering private beaches and house reefs for snorkeling
- **Scuba Diving & Snorkeling** Exceptional visibility (up to 40 meters), warm waters, and abundant marine life including manta rays, reef sharks, and turtles
- **Sandbank & Desert Island Picnics** Private excursions to tiny sandbanks surrounded by turquoise lagoons, perfect for romantic dinners or sunset relaxation
- **Local Island Visits** Explore authentic Maldivian life with fishing villages, mosques, and pastel-colored houses. Dress modestly outside resort islands
- **Sunset Dolphin Cruises** Spinner dolphins often gather near reefs in late afternoons, offering spectacular sunset viewing opportunities

Note: For air ticketing, accommodation and local sight seeing contact event manager for assistance.
